

FHIn 2019 & IICC 2019

FHIn, Asia's most established international trade show of its kind, Food and Hotel India a premier food and hospitality show (in its second year in India) served an opportunity for industry professionals to showcase flagship products and solutions to the market. FHIn 2019 belongs to a premier and influential category of over 20 market leading food and hospitality shows across 12 countries like Food and Hotel Asia Singapore, HOFEX and Hotelex, among others.

IICC 2019 is the most prestigious international culinary competition that highlights the excellence of culinary industry.

This annual competition is the ultimate arena where culinary talent across India display their masterly skills. With strong support from the Western India Culinary Association (WICA), the 2-day Cook Fest includes different cooking challenges, categories, presentations, extensive personal interactions and activities.

This year IICC 2019 was held from 19th to 20th September, 2019 at Food & Hotel India 2019 in Mumbai
